

Together, we learn and grow

Monday 11th September 2023

Dear Parents and Carers,

We are excited to announce that we will be launching the **Orchard and Shepherdswell PTA** and our first ever meeting is on Thursday 14th September.

Our goal, by having a parent and teacher association, is to provide extra funding to help enhance and further the learning experiences and opportunities at both schools. We are looking for volunteers to support the running of events such as cake sales, movie nights, Christmas/summer fayres and many more! We would ask that volunteers would be able to attend a termly meeting (3 meetings a year) and at least two events per academic year.

As well as supporting the school, being in the PTA would give you the opportunity to make new friends, strengthen the school community and improve your child's school. We will have representatives from the teaching staff from both schools but are looking for volunteers to fill the formal roles of a PTA such as a chairperson, secretary and treasurer.

If this is something that you would be interested in, please come and join us on Thursday or for more information speak to Mrs Williams at Shepherdswell. Or contact either the Orchard or Shepherdswell PTA.

Thank you for your continued support.

Mrs Williams.
Head of School at Shepherdswell Academy.
