

# Pupil Premium Provision Map

## 2020 - 2021

Pupil Premium is additional monies given to schools to support pupils who are considered disadvantaged. The chosen measure for this is the entitlement of Free School Meals within the past 6 years. Our academic Pupil Premium funding focuses on the provision and implementation of individual and small group support in reading, writing and maths and the extension of first hand experiences in order to support, enhance and develop learning across the curriculum. The following provision maps (academic, well being & enrichment/engagement) provide information on what interventions and provision is in place/intended for our current Pupil Premium children. At Orchard, we are committed to ensuring all our children make the best possible progress at every possible opportunity. We track the achievement of every child on a regular basis and do all we can to make sure each child achieves their full potential and beyond. We have a fundamental duty to ensure that no group of children are disadvantaged due to their gender, ethnic origin or family income or background.

Total number of children on role = 346; Total number of Pupil Premium children = 116 = 34%

The current projected funding for 2020-21 is £164,664

# Pupil Premium Provision Map 2020 -2021 - Academic

## Special Educational Needs Co-Ordinator

Overview: 1. 34% of our pupils are eligible for Pupil Premium funding. Inclusion Lead will work with other senior leaders in school to ensure the funding is spent effectively to ensure high quality provision.

2. A large number of our pupils are Pupil Premium and also have SEN needs (48% = 24/50 & 6/50 = 12% EHCP). The SENCo will ensure that pupils receive a highest quality provision, specialist teaching and resources (ASC).
