

## Orchard Academy Geography Rocket Words

	KS1 Content		Year 3	Year 4	Year 5	Year 6
<b>Main Geography Unit</b>	country	continent	volcano	climate	river source	trade
	capital city	desert	earthquake	rural	river courses	international
	city	settlement	tsunami	urbanisation	precipitation	cultural exchange
	human	rainforest	crust	biomes	water vapour	borders
	physical	town	mantle	tundra	gorge	import
	sea	village	core	temperate	irrigation	export
	ocean	polar	tectonic plate	deciduous	tributary	manufacture
	island	valley	magma	desert	floodplain	distribution
	landmark	beach	lava	tropical	estuary	supply chain
	mountain	coast	crater	equatorial	meander	primary
	countryside	harbour	eruption	rainforest	delta	secondary
	weather	valley	tremor	vegetation	globalisation	tertiary

	KS1 Content		Year 3	Year 4	Year 5	Year 6
<b>Map Skills and Fieldwork</b>	near	North	aerial	North East	contours	latitude
	far	South	oblique	South East	slope	longitude
	left	East	boundary	North West	topographical	trade routes
	right	West	scale	South West	deposition	borders
	symbol	zoom	annotate	area	confluence	distribution map
	key	journey	features	thematic map	transportation	relief features
	route	landmark	2 figure grid reference	4 figure grid reference	linear scale	6 figure grid references
