3. Definitions

Looked-after children are registered pupils that are:

In “Children Looked-after (CLA)” are defined as children who:

- Are provided with accommodation, for a continuous period of more than 24 hours under the Children Act 1989, sections 20 and 21.
- Are subject of a Care Order or Interim Care Order under the Children Act 1989, part 4.
- Are subject to a placement order.

Previously looked-after children are registered pupils that fall into either of these categories:

- They were looked after by a local authority but ceased to be as a result of any of the following:
 - A child arrangements order, which includes arrangements relating to who the child lives with and when they are to live with them
 - A special guardianship order
 - An adoption order
- They appear to the trust board to have:
 - Been in state care in a place outside of England and Wales because they would not have otherwise been cared for adequately, and
 - Ceased to be in that state care as a result of being adopted

4. The Virtual Headteacher

Each Local Authority appoints a Virtual Headteacher (VH). The core purpose of the VH is to be rigorous in driving up improvements in the educational progress and attainment of all Children Looked After (CLA), including those that have been placed in schools in other Local Authority areas. They also have an important role in working in partnership with other Local Authority VHs and School Headteachers to support the educational progress of children who are in their local authority schools but looked after by other Local Authorities.

Because CLA are being educated across a large number of schools, the VH has a powerful role in tracking their progress as if they were in a single school. This is carried out through:

- Monitoring the attendance and educational progress of the children their authority looks after; this includes children who have left care through adoption, special guardianship or child arrangement orders, or who were adopted from state care outside of England and Wales.
- Ensuring that arrangements are in place to improve the educational experiences and outcomes of the authority’s CLA, including those placed out-of-authority.
- Monitoring and evaluating the educational attainment and progress of CLA as if those children attended a single school.
- Building relationships with health, education and social care partners, as well as other partners, so they and the designated teachers understand the support available to CLA and Post CLA children.

- Working with each school and academy where CLA/PLAC are placed to ensure pupils attend and are fully supported in reaching their full potential.
- Acting as the educational advocate for CLA.
- Acting as a source of advice and information to help parents of CLA and PCLA as effectively as possible.
- Monitoring individual Academy's allocation of pupil premium plus (PP+) for CLA.
- Ensuring there are effective systems in place to maintain an up-to-date roll of the CLA and PLAC who are in academy settings, and gather information about their educational placement, attendance and progress.
- Inform the Headteacher and Designated Teacher (DT) if they have a pupil on roll who is looked after by the LA.
- Ensure sufficient information about a pupil's mental health, SEN or disability is available to the school so that appropriate support can be provided.
- Ensure social workers, academies, DTs, careers and Independent Reviewing Officers (IROs) understand their role and responsibilities regarding a pupil's Personal Education Plan (PEP).
 - Ensure that up-to-date and effective PEPs that focus on educational outcomes are maintained for all CLA.
- Avoid delays in providing suitable educational provision, including special educational provision, and unplanned termination of educational arrangements through proactive, multi-agency co operation.
- Ensure the education achievement of CLA is seen as a priority by everyone who has responsibilities for promoting their welfare.
- Report regularly on the attainment, progress and academy attendance of CLA through the authority's corporate parenting structures.

5. Personal Education Plans (PEPs)

All CLA must have a care plan, PEPs are an integral part of this care plan.

EMAT understand that PEPs are intended to serve as an evolving record of what needs to happen for a pupil to enable them to make the expected progress and fulfil their potential in all areas of school life. Wherever a pupil is placed at a school or academy, it is the responsibility of a pupil's social worker, supported by the placed authority's VSH, to initiate a PEP and arrange to meet with the school's DT and the pupil's carer.

EMAT academies will ensure that children's PEPs reflect the importance of a personalised approach to learning which meets the identified educational needs of each pupil and will be reviewed termly. The DT will liaise with the VSH and social workers to share information and act as the in-school lead on how the PEP is developed and utilised to make sure that pupil's progress towards education targets is monitored. Each academy, in collaboration with the pupil, carer, and other named professionals (eg – social workers) will collaborate to ensure completion of the PEP. The DT at each academy will ensure that the PEP is used as a working document intended to support the pupil's educational needs, raise their aspirations, and improve their life chances.

Individual EMAT academies will ensure that:

- They work with allocated VSHs, Social Workers and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the pupil's PEP are implemented without delay.
- Have awareness that Pupil Premium Plus (PP+) for PLAC will be allocated directly to, and managed by, the school, and the DT will work with the VSH to manage allocation of PP+ for the benefit of the cohort of CLA, or PCLA, and according to their needs. If deemed necessary, the academy will allocate an amount of funding to an individual to support their needs. The DT will communicate with the VSH and agree on how PP+ can be used effectively to accommodate the pupil's educational attainment and progress.

The PEP will address the pupil's full range of education and development needs, including:

- [Primary academies only] access to nursery provision that is appropriate to the child's age.
- On-going catch-up support, which will be made available for children who have fallen behind with work.
- Suitable education provided by the LA, where the child is not in academy because of suspension or exclusion.
- Transitional support where needed, such as if a child is moving to a new academy.
- Targeted attendance and behaviour support, where appropriate.
- The VSH and the designated teacher will ensure that the impact of Pupil Premium Plus funding is recorded, within the PEP process.

The DT will facilitate support to help the child meet their aspirations, which includes: -

- Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications. -Careers advice, guidance and financial information about FE, training and employment, that focusses on the child's strengths, capabilities and the outcomes they want to achieve. –
- Out-of-academy hours learning activities. The VSH and the DT will ensure that information is included within a CLA pupil's PEP, surrounding how they are benefitting from any use of PP+ funding to improve their attainment.
- Any interventions supported by Pupil Premium+ will be evidence-based and in the best interests of the pupil.
