At Orchard Academy we
are **Ready** **Respectful** **Safe**

SUMMER TERM 2 ANCIENT EGYPTIANS

English

This term, Year 4 will be exploring the story *Marcy and the Sphinx* and discovering its exciting adventures, intriguing riddles and quest elements. Inspired by the book, the children will be writing their own imaginative quest stories, creating brave heroes, magical settings and exciting challenges for their characters to overcome. They will also produce wonderful illustrations to accompany their writing, bringing their stories to life with creativity and detail..

MATHS

This term, the children will be learning several exciting areas of mathematics. They will develop their understanding of **geometry** by identifying, comparing and describing different shapes and exploring **angles**. They will also learn to measure, compare and calculate **length** and **mass**, using a range of practical activities to strengthen their understanding. In addition, the children will explore **statistics**, learning how to interpret and present data using charts, tables and graphs.

SCIENCE

Year 3 will be learning about how to plan an investigation, predicting what might happen and analysing the results.

Humanities

We are very excited to continue our learning about Ancient Egyptian Life this term. They will be learning more about mummification as well as having a wonderful day full of Egyptian activities.

PSHE

This term, pupils are learning about 'Changes' and how our bodies go through changes inside and on the outside.
We will be thinking about how we feel about this and how we accept changes.

RELIGIOUS EDUCATION

We will be learning about 'Ceremonies' and the difference between them and a celebration. We will look at the rituals that different religions have ceremonies such as wedding, Bar/Bat Mitzvah and 'Sacred Thread'.

MUSIC
